**MULTI INPUT PORTABLE PROJECTOR WITH WIFI
BLUETOOTH AND 100 LUMENS BRIGHTNESS**

16 GS 1 ANDROID PROJECTOR 8GB

Best portable projector

One of the very few portable projectors with a brightness of 100 Lumens. Extremely bright!
Throw anything at it and it plays. This projector has a USB OTG slot, MicroSD/TF Card slot, Miracast, Airplay and EZShare with built in WIFI.
Play from a laptop, computer, android device, apple device, pendrive, memory card, portable hard-disk, anything and it plays.
The built in bluetooth helps with connecting wireless keyboard, mouse and gamepads.

Best feature is the built in Android and 8GB Memory. No need to connect the projector with a mobile/laptop/tab to play. Just store in the inbuilt memory and play movies, pictures, music, games with the help of inbuilt Android. It can also stream youtube videos, access play store, browse internet and use numerous other android features.

Comes with a 2.4Ghz Remote Control for easy operation and also HDMI 1.4 Output to connect to LED Screens and TV for inbuilt Android output.

A graphic consisting of two overlapping circles. The left circle is a vibrant yellow-gold, and the right circle is a light grey. The word "ANALOGY" is written across the center in a white, sans-serif font. Below it, the tagline "Deliver Expectations" is written in a smaller, white, italicized font. A thin gold line extends from the top right corner of the circles towards the bottom right of the page.
